

**State Water Resources Control Board
Board Meeting – Division of Water Rights
August 16, 2001
Item 6**

ERRATA SHEET

REGARDING CONSIDERATION OF PROPOSED ORDER TAKING FINAL
ACTION ON PETITIONS FOR RECONSIDERATION OF DECISION 1635,
MODIFYING DECISION 1635, AND AFFIRMING THE DECISION AS MODIFIED.

- I. On page 14, at the end of the last paragraph of section 4.0, add the following footnote:**

“Nothing in this order is intended to preclude El Dorado from participating in ~~Phase 8 of the ongoing~~ any proceeding before the SWRCB regarding implementation of water quality objectives for the San Francisco Bay/Sacramento-San Joaquin Delta Estuary, and presenting evidence in that proceeding regarding El Dorado’s responsibility for meeting water quality objectives or the applicability of Term 91 to El Dorado.”

- II. On pages 17-19, replace Tables 1-3 with the revised Tables 1-3 attached to this errata sheet.**

- III. On pages 34-36, replace Figures 2-6 with the revised Figures 2-6 attached to this errata sheet.**

- IV. On page 37, second full paragraph, amend the third sentence as follows:**

Although historically PG&E would ~~begin~~ continue to draw-down Caples Lake after Labor Day and ~~begin to draw-down~~ Silver Lake after Labor Day, the record contains evidence that the recreational season at the lakes lasts until mid-October.

- V. On pages 38-39, replace Tables 5-7 with the revised Tables 5-7 attached to this errata sheet.**

- VI. On page 44, second paragraph, and on page 46, last paragraph, change the date in the citation to the basin plan from “1995” to “1998.”**

- VII. On page 45, second paragraph, amend the second-to-last sentence as follows:**

“In order to ensure that the plant species are protected, we will require that a new General Plan be in place that contains policies that are equally or more protective than the policies that were contained in the previous General Plan, before water may be diverted under El Dorado’s permit, except to the extent that water is ~~being~~ is delivered to a development project that ~~was~~ is approved consistent with the previous General Plan.”

VIII. On page 63, third paragraph, amend the first sentence as follows:

“**IT IS ORDERED** that ~~ninety~~ 180 days from ~~the date of~~ the effective date of this order, EID shall submit a written report to the SWRCB setting forth the legal basis under which 15,080 afa of water is diverted into the El Dorado Canal and supplied to EID for consumptive use from the South Fork American River, Lake Aloha, Caples Lake or Silver Lake.”

IX. On pages 67-69, amend conditions 12, 13 & 14 consistent with the revised Tables 5-76 attached to this errata sheet.

X. On page 68, amend the first sentence of condition 14 as follows:

“To protect Silver Lake’s summer recreational uses, permittee shall not ~~redirect~~ release water ~~released~~ from the lake for consumptive use, power production, or other purposes prior to Labor Day each year, excluding nondiscretionary releases required by the FERC license for Project 184 or the State Division of Safety of Dams.”

XI. On page 70, amend the first two sentences of condition 16 as follows:

“The permittee shall maintain the release, bypass, and lake capacity requirements imposed by the FERC license for Project 184. ~~Jurisdiction is reserved~~ The SWRCB reserves continuing authority to revise the conditions of this order as the SWRCB may determine to be necessary or appropriate in light of any changes to the release, bypass, lake capacity or related requirements imposed by the FERC license. In addition, ~~Jurisdiction is reserved~~ the SWRCB reserves continuing authority to adopt conditions to protect inflake and instream beneficial uses of water if permittee ceases the operation of the licensed hydroelectric project.”

XII. On page 74, amend condition 29 as follows:

“No water shall be diverted under this permit until El Dorado County has adopted a General Plan that contains policies that are equally or more protective of threatened and endangered plant species than Objective 7.4.1 and the subsequent policies that were contained in the 1996 General Plan, except to the extent that water is ~~being~~ delivered to a development project that ~~was~~ is approved consistent with the 1996 General Plan.”

XIII. On page 78, add the following sentence to the end of condition 42:

“This term may be modified in accordance with any SWRCB order or decision issued in the future, including but not limited to an order or decision that establishes responsibilities to meet water quality objectives in the Bay-Delta Estuary.”

XIV. On pages 84-90, replace Appendix 2, Historic End-of-Month Stage Data, with the revised Appendix 2 attached to this errata sheet.

XV. On page 77, condition 40, delete “Warren Act” and change the “C” in “Contract” to a lower case letter.

XVI. On page 8, first full paragraph, third sentence, change “standards” to “objectives.”

XVII. On page 73, condition 28, change “CVRWWCB” to “CVRWQCB.”
